CLUB 250™

MAXIMISE YOUR SUCCESS!

ARE YOU READY TO MAXIMISE YOUR BUSINESS EFFORTS AND MAXIMISE YOUR SUCCESS? 4LIFE'S NEW CLUB 250 IS FOR YOU! CLUB 250™ PROVIDES A VARIETY OF INCENTIVES AT THE LEADER, DIAMOND, AND PRESIDENTIAL DIAMOND LEVELS, INCLUDING **BIG PRODUCT DISCOUNTS, EXTRA INCOME POTENTIAL,** AND **CASH PRIZES**. PLUS, WITH RECENT ENHANCEMENTS TO RAPID REWARDS, YOU COULD SEE MONEY IN YOUR 4LIFE® ACCOUNT THE VERY NEXT BUSINESS DAY. READY TO MAXIMISE YOUR SUCCESS? HERE'S HOW!

How to become a Club 250 member

•Purchase 250 LP or more per month in one order. You can purchase a Club 250 product pack for your best savings, or choose any combination of products. Each month that you purchase 250 LP or more, you're a Club 250 member for that month!

•Qualify at the Leader, Diamond, or Presidential Diamond level (based on high rank).

Club 250 membership benefits

If you really want to maximise your business success, Club 250 is the way to go!

BIG PRODUCT DISCOUNTS

Club 250 product packs include huge discounts (up to $94!), allowing you to enjoy more products for personal consumption and share more products with potential customers.

EXTRA INCOME POTENTIAL

•Club 250 packs give you an excellent opportunity to make extra income by reselling individual products at a profit. Example: If you resell the products in Club 250™ Pack #3 at the suggested retail product prices, you would earn $167 in retail profit! Combine that with $59.50 Rapid Rewards commission on your purchase and your total profit is $226.50, an incredible 38% return on your purchase!

REACH RANK ADVANCEMENT GOALS FASTER

Achieve rank advancement goals faster when you and your team members qualify for Club 250 each month. Instead of building with a 100 LP monthly order, maximise your success with a 250 LP order. When everyone in your organisation does the same, you'll all enjoy more success and greater rewards!

MAXIMISE YOUR CLUB 250 BENEFITS THROUGH RAPID REWARDS ENHANCEMENTS[1]

With enhancements to the Rapid Rewards program, you will now be paid 25% on your personal monthly LP above 100 LP—the very next business day! Example: Purchase 250 LP. Leaders and above are paid a 25% commission on 150 LP. That's $59.50 deposited into your 4Life Account the next business day after you place an order.

QUALIFY FOR CASH PRIZES!

Hundreds of thousands of dollars will be given away every year! Club 250 members earn an entry for a cash drawing that takes place every month. Each month that you qualify for Club 250, you earn an entry for the drawing. You could win $115, $290, or $1,145.

Plus, the more you qualify, the more rewards you earn. Qualify each month in a calendar quarter, and you'll also be entered to win cash prizes in the even bigger quarterly drawing. You could win $1,145 or $5,715![2]

New distributors who enrol any time during the quarter at the Diamond4Life level and continue to order 250 LP every month for the remainder of the quarter will also be eligible for the quarterly drawing.

EARN ADDITIONAL ENTRIES FOR THE QUARTERLY PRIZE DRAWING

For each consecutive quarter that you qualify for the quarterly cash prize drawing, you will receive an additional entry for the next quarterly cash prize drawing, up to a maximum of four total entries. For example, if you qualify for the first, second, and third quarters of the year, you will receive three entries in the third quarter cash prize drawing. Qualify four or more quarters in a row and receive four entries in the fourth quarter cash prize drawing.

[1]Rapid Rewards payments are only available for distributors who qualified at the Leader level or above during the previous calendar month. The 25% commission for LP over 100 LP in a month is not paid to a new distributor on their first product order. You must be a Leader or above to receive a 25% commission on your LP greater than 100 LP in a month. Rapid Rewards payments are paid out in markets where available.

[2]Monthly and quarterly cash drawing prize winners will be announced on the 15th of the following month. Monthly drawing entries will include Leader, Diamond, and Presidential Diamond distributors (based on high rank) who have purchased 250 LP or more during that calendar month. Quarterly drawing entries will include Leader, Diamond, and Presidential Diamond distributors who have purchased 250 LP every month during a calendar quarter, or new distributors who enrol any time during the quarter at the Diamond4Life level and continue to order 250 LP per month during the remainder of the quarter. Limit one monthly entry per distributor.

[3]Combined Rapid Reward and retail profit. Comparing two bottles of 4Life® Transfer Factor Plus® Tri-Factor® Formula at 100LP, five at 250LP, and Club 250 Pack 3.

[4]Assuming you enrol four frontline distributors with 250 LP and each distributor gets four distributors in their downline to do the same.
