EXTRAORDINARY ACCOMPLISHMENTS

Achieving the Platinum International Diamond rank is a dream come true for Iván Rodríguez and Marie Márquez, their family members, and their entire 4Life® team. “We want to help others lead extraordinary lives,” Iván said. “It’s important to get out of your comfort zone, go the extra mile, and never stop learning.”

Because of their 4Life business, Iván and Marie have accomplished many things they didn’t think were possible. “We remodeled our home without taking out

loans,” Iván commented. “We drive brand-new cars. We’ve traveled around the world. We want our downline team members to experience the same type of success!”

Marie agreed. “For us, reaching the Platinum International Diamond rank is additional proof that with God, everything is possible. We feel excited, pleased, and grateful. If we did it, anybody can do it!”

“This is

JUST THE BEGINNING!

There is still a lot to do.

OUR NEXT GOAL

is to qualify for

PRESIDENT’S CLUB

at the Platinum International Diamond level.”

PRICELESS LESSONS

Iván and Marie gained valuable knowledge about what's truly important from their parents. "Although I was raised in very humble circumstances, my parents taught me respect and love," Marie shared. "They always reminded me to keep God foremost in my heart."

"My dad was a salesman, and he taught me about the sales business," Iván commented. "My mom taught me integrity and honesty. When I was 15 years old, I asked God to give me the opportunity to share a message of hope with the world. And now, I have that opportunity with 4Life."

Iván and Marie have also been mentored by great 4Life® leaders. "I'm thankful for the support we've received from Platinum International Diamond Dr. Herminio Nevárez," Iván remarked. "He teaches me every day. Platinum International Diamond Yadira Olivo's unconditional support when we began building our team in the Dominican Republic—our first market outside of Puerto Rico—was fundamental to our business. Platinum International Diamond Juan Rosado is my friend and brother. To achieve this kind of success, you need help from a family. That is why the International Networkers Team has played an important role in helping us accomplish our dreams."

“

Over the past 15 years, I have witnessed a great transformation in the lives of Iván and Marie. They have become core pillars of the International Networkers Team. Thousands of people look to them as examples of faith and dedication to their dreams. Thank you so much, Iván and Marie, for your commitment to our team!

THE JOURNEY OF A LIFETIME

For Iván and Marie, their road to success has been the journey of a lifetime. “When we first discovered 4Life®, Iván’s job kept him very busy and we rarely saw each other,” Marie remarked. “Now, we work together to help people have more hope for the future.”

“Our 4Life adventure has been one of excitement and happy moments,” Iván stated. “The past 15 years have been a learning experience. We have had challenges along the way, but we have reached all of our goals.”

“4Life is the best opportunity to achieve freedom,” Iván continued. “Through the principles of Founders David and Bianca Lisonbee, unique and patented 4Life products, the company’s balanced compensation plan, and the vision, integrity, and love of 4Life employees, we have developed confidence in our ability to succeed. Now, we help other people discover their freedom.”

Marie couldn’t agree more. “It’s exciting to help give meaning to people’s lives. I never thought we would travel all over the world doing that, but 4Life has given us that opportunity. I feel very blessed.”

“

I am so grateful to have Iván as my mentor. He is patient and kind in helping me achieve success. I am proud that Iván and Marie have reached the Platinum International Diamond rank. Much love to you both. I will follow in your footsteps!

THE BEST POSSIBLE TEAM

From the beginning, Iván and Marie worked as a team to achieve their dreams. “When I learned about 4Life®, I told my wife about it right away,” Iván shared. “I’ll never forget her response. ‘Count me in. I support you.’ We immediately began building our 4Life business.”

“Even though I didn’t understand everything about 4Life in the beginning, I trusted my husband,” Marie commented. “His knowledge helped me fully commit to the 4Life business opportunity. Even back then, I knew we would be a winning team.”

“I wouldn’t be where I am without my wife,” Iván stated. “We respect and love each other. When Marie gives a business speech, she always masters it because her knowledge about 4Life is profound.”

4LIFE® EQUALS FREEDOM

For Iván and Marie, 4Life means health freedom, financial freedom, and time freedom. “Freedom is a human right. Unfortunately, many people sacrifice their freedom by working at jobs that barely make ends meet,” Iván commented.

“The need for freedom led me to 4Life,” he said. “The first step I took to free myself was to get out of my comfort zone. Then, I focused on sharing the 4Life message with others. I also devoted myself entirely to my team members and their success. Finally, I committed to reach my dreams with faith and passion.”

“

Thank you, Iván and Marie, for teaching by example. Thank you for guiding us with patience and love. And thank you for helping us achieve freedom.

LEGACY FOR THE FUTURE

“Our children are excited about 4Life,” Iván commented. “They want to travel the same road that we have traveled. They’re already talking about achieving the Platinum International Diamond rank! Network marketing is a business that young people can dominate, especially with the Internet, smart phones, and social media. Our kids are continuing our legacy.”

“When I see my kids build their own 4Life® businesses, I feel very happy,” Marie shared. “I tell them, ‘Welcome to the university of success. Welcome to the career that will give you freedom, satisfaction, a great life, and much more.’”

“GOD’S PURPOSE for us is
to fulfill our duties as
ROLE MODELS,
be a **BLESSING TO OTHERS,**
and bring
HOPE TO THE WORLD.”
